# What i see in the mirror

8 0 1

## Chapter 1 by \*-\*

When i see the mirror i see a beautiful girl with a beautiful dress. People always tell me i look ugly, but inside i know i am pretty enough to know the truth. I shouldn't care what other people say about me, for what really matters is what i think about myself. I should just ignore them. I know of i do not have anything nice to say then i shouldn't have to say anything at all. I want all those people to know that it doesn't matter what they think. It only matters what you think, so keep that in mind.
